## ***WELCOME TO HEADWATERS LODGE & CABINS AT FLAGG RANCH***

Thank you for choosing Headwaters Lodge & Cabins at Flagg Ranch! We look forward to hosting you at Headwaters Lodge & Cabins at Flagg Ranch and would like to share some information about our property to assist with your travel planning.

Headwaters Lodge & Cabins at Flagg Ranch is located on the John D. Rockefeller, Jr. Memorial Parkway, just one mile from the south entrance of Yellowstone National Park and 55 miles north of the town of Jackson, Wyoming. The Main Lodge is centrally located among all of the guest cabins, campsites, and RV sites, and offers Sheffield Restaurant and Saloon, a gift shop, our reservations desk, activity desk and a convenience store.

Updated in 2012, our guest cabins now feature enhanced lighting, décor and furnishings, and most rooms now have either one king or two queen beds. These improvements were made to provide maximum comfort while keeping the integrity of this remarkable, rustic haven. Cabins allow easy access with nearby parking, and include amenities such as a telephone, coffeemaker, alarm clock and private bath. Please note that accommodations do not have televisions, air conditioners or kitchen facilities, and cooking in or around the cabins is not permitted.

### ***Activities***

We offer our guests a variety of activities, include horseback riding, wild & scenic raft trips on the Snake River, guided fishing tours and more. Advance reservations for activities are highly recommended as space is limited and often fills up prior to arrival. Visit [Headwaters Lodge & Cabins Activities](#) for more information, or call 1-800-628-9988 for reservations.

### ***Wildlife***

Perhaps the greatest attraction along the John D. Rockefeller, Jr. Memorial Parkway is the area's abundant wildlife. Wildlife encounters may occur at any time in and around our facilities, so please be sure to visit the National Park Service's website ([www.nps.gov/grte](http://www.nps.gov/grte)) for viewing information and safety precautions to protect both yourself and the animals before you arrive. Additional information about bear safety can be found on the National Park Service website under "Plan Your Visit."

### ***Special Requests***

**We are unable to confirm special requests including location, adjacent accommodations or specific room numbers prior to arrival. Please be assured that we will make every effort to accommodate any special requests you may have, however we cannot guarantee a specific location. Final room assignments are made on your day of arrival, and our check-in time is after 4:00 p.m.**
