IN-HOUSE PREPARATION

The team at Jackson Lake Lodge has the goal to run a 100% made-from-scratch kitchen. This effort is supported by our in-house butchering facility and on premise bakery. All stocks, soups, dressings, vegetables, starches, and proteins are prepared from scratch in our kitchens daily.

A 20% gratuity will be added to parties of 8 or more

THE PIONEER GRILL

History can be more than a dry page in a book, sometimes it can be the exploration and experience of a place. When you entered this room, you stepped back into the 1950's. The chrome accents, orange pastels, vinyl seating, and the space-age light fixtures: all part of the 1950's decor. Now imagine exploring the lodge in 1955 when these design themes existed throughout the lodge. What a different experience than today! Even photos found on our walls are windows to the earliest days of the lodge and Grand Teton National Park itself. The history of this lodge and national park may be written in books, but in exploring it ourselves, we can often find a far richer and memorable experience.
